REAL-WORLD LEARNING OPPORTUNITIES

- ☑ *Seek a school where you can benefit from practical training through world-class research projects in your chosen field.*

In addition to gaining hands-on experience working closely with faculty and peers, you will have all of the advantages that come with Kent State's designation as a prestigious **R1 research institution**, which places us among the nation's top elite research universities. This prestigious recognition is only awarded to universities who meet the highest level of research opportunities as well as the number of students who complete their graduate degrees.

Many students also collaborate with Fulbright scholars and internationally recognized leaders in projects that can make a positive difference in the world, and our university research initiatives focus on solving regional, national and global challenges to ensure the future well-being of our planet.

AN INCLUSIVE COMMUNITY

- ☑ *What makes us different, makes us powerful. These are words we live by at Kent State. Our welcoming environment allows all students to find their fit and truly belong.*

You belong at Kent State, and that belief informs everything we do. As a student-first university, we foster a true graduate experience online and on campus. We have a diverse community that will support you from admission to graduation and beyond with resources such as our Student Multicultural Center, Women's Center, LGBTQ+ Center and more. Our professors are dedicated to your success and is available for pre-advising even as you learn more about Kent State before applying. You can also join our **graduate student organizations** to connect with your peers personally and professionally.

FOCUS ON FINANCIAL AID & ASSISTANTSHIPS

- ☑ *Explore financial aid options that create greater accessibility through competitive tuition and a holistic approach to admission.*

We know that finances play a big role in choosing a school. That's why we're proud to be one of the most affordable universities in Ohio and offer competitive tuition in addition to numerous financial aid opportunities. In addition, many of our graduate programs have moved away from test-score requirements as part of our admission process to eliminate barriers to a high-quality education.

We also offer three types of **graduate assistantships**: administrative, teaching and research, as well as a variety of **scholarships and fellowships**.
